

# BRAIN HEAT

SPEAKER • CAREER EDUCATOR • TRAINER

## ABOUT BRIAN HEAT

**Brian Heat**, Speaker, Trainer, Career Educator and Radio Show Host, has been electrifying audiences across the country as the new face of inspiration. With topics such as *“Living a Life of Extraordinary Significance”*, *“The Explosive Power of Transformation”* and *“How to Ignite Personal Passion”*, Heat empowers his audiences to fearlessly chase their dreams despite any obstacles they may face.

As a Classroom Teacher, School Administrator and College Success Program Developer with more than a decade of experience, Heat's background as an educator lays the foundation for his uncanny ability to empower audiences of all ages.

Brian Heat has dedicated his life to helping others unleash their hidden potential, break through personal barriers and discover their own God-given talents through innovative workshops and keynote addresses. Through his profound ability to push the boundaries of inspiration, his messages has touched thousands at events such as the *NBC4 Youth Empowerment Forum*, the *American University Performing Arts Conference* and the *University of Akron Black Male Summit*. Brian Heat's infusion of high octane motivation and cinematic themes make each program entertaining, inspiring and unforgettable!
